

eVisa | India

Visa Requirements

The Indian eVisa is available to applicants whose sole objective in travelling to India is recreation, sightseeing, visiting friends/relatives, short-term medical treatment or undertaking casual business activities, such as meetings.

The visa is valid for up to two visits within a 60 day period and cannot be extended, converted or used to visit protected/restricted areas. Travellers can apply for a maximum of two eVisas in any one calendar year.

The visa is valid for entry through 16 designated airports, namely Ahmedabad, Amritsar, Bengaluru, Chennai, Cochin, Delhi, Gaya, Goa, Hyderabad, Jaipur, Kolkata, Lucknow, Mumbai, Tiruchirapalli, Trivandrum and Varanasi. Travellers may leave India via any authorised Immigration Check Post (ICP).

You can apply for an eVisa from a minimum of four days to a maximum of 30 days in advance of your arrival date. For example, if applying on 1st September, you can select an arrival date between 5th September and 4th October.

Applicants of Pakistani origin are not eligible for an eVisa and must instead apply for a standard Indian business or tourist visa. Travellers holding a diplomatic/official passport, an International Travel Document or those endorsed on the passport of a parent or spouse are also ineligible.

The visa application fee is fixed in US dollars, but payable in British pounds. The exact sum payable may vary due to currency fluctuation.

No refund will be given if your eVisa is cancelled or rejected by the immigration authorities.
